* CASE NO. CBA-22-022

* * * * *

ORDER OF DISMISSAL

This case comes to the Board of Appeals (“Board”) as the result of the denial of a reserved handicapped parking space at 927 Foxwood Lane, Essex, Maryland 21221, by the Baltimore County Division of Traffic Engineering in a letter dated September 15, 2021, to Clarence Bradford. Attached to that letter was also included a copy of the Baltimore County Policy with respect to handicapped parking spaces.

On October 4, 2021, Clarence C. Bradford filed a Notice of Appeal from the decision of the Chief of the Division of Traffic Engineering. A hearing was scheduled to be held before this Board on January 4, 2022 at 10:30 a.m., for which proper notice was given.

The Board convened at 10:30 and decided to give Applicant/Appellant until approximately 10:45 a.m. At 10:45 a.m. the Board reconvened. Howard Daue, Traffic Inspector for the Bureau of Traffic Engineering and Transportation Planning for Baltimore County, appeared at the scheduled time of hearing on behalf of Baltimore County, Maryland. The Applicant/Appellant, Clarence C. Bradford, did not appear, nor did anyone on his behalf.

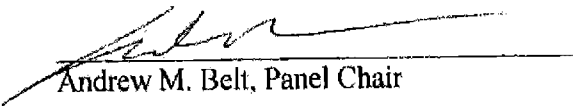

Upon consideration of the fact the hearing Notice had the correct address and was not returned, and the fact there were no telephone calls to the Board advising of a problem connecting to the WebEx hearing, the Board will dismiss this matter.
